

Poodle Pine

(Pinus sylvestris 'Poodle')

Evergreen Tree

4' - 5' High

3' - 4' Spread

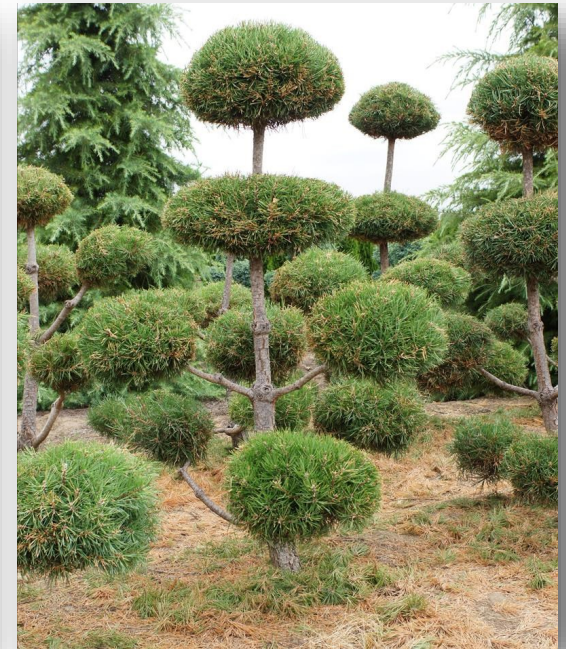

Growth Slow

4 + Hours

Zone 3 - 7

Poodle Pine is a dwarf variety of Scotch Pine with a unique look. It has grayish green needles that hold color all year round. Pruning the Poodle Pine will help maintain its look as it grows. A great choice to add interest to a yard or landscape bed.
