

New Zealand.

ANALYSIS.

Title.
1. Short Title.

- 2. Governor-General may authorize sale in New Zealand of fruit affected by apple-scab or pear-scab.
- 3. Power to extend Schedule.

1920, No. 59.

AN ACT to amend the Orchard and Garden Diseases Act, 1908. Title.
[9th November, 1920.]

BE IT ENACTED by the General Assembly of New Zealand in Parliament assembled, and by the authority of the same, as follows:—

1. This Act may be cited as the Orchard and Garden Diseases Amendment Act, 1920, and shall be read together with and deemed part of the Orchard and Garden Diseases Act, 1908 (hereinafter referred to as the principal Act). Short Title.

2. (1.) Notwithstanding anything in section fifteen of the principal Act, the Governor-General may from time to time, by Order in Council, make regulations authorizing the sale, under such conditions as may be prescribed in those regulations, of fruit affected with any of the diseases mentioned in the Schedule hereto. Governor-General may authorize sale in New Zealand of fruit affected by apple-scab or pear-scab.

(2.) Such regulations may apply generally throughout New Zealand or within any specified part or parts thereof.

3. The Governor-General may from time to time, by Order in Council, extend the Schedule hereto by including therein any disease other than those mentioned therein. Power to extend Schedule.

SCHEDULE.

Schedule.

- APPLE-SCAB (*Fusicladium dendriticum*).
- Pear-scab (*Fusicladium pyrinum*).
