About Our Nursery

We are a wholesale nursery specialising in grafted conifers. We graft, grow and sell an assortment of just over 400 varieties of Pinus, Picea, Abies, Sciadopitys and other conifers.

While we provide a diverse selection of cultivars, to help garden centres focus on a narrower range of truly outstanding plants, we recommend a list of 60 varieties. These are marked in this catalogue with the  symbol.

Note regarding transport: plants can be packed into wooden boxes when requested by the client.

рекомендуем 60 наиболее интересных сортов. Эти сорта в данном каталоге, обозначены символом .

По желанию клиента пакуем растения в BOX палеты и грузим на транспорт.
